THE 311 Prayer and Worship

An overview of the biblical teaching on prayer and worship leads to practical considerations for cultivating intimacy with Christ in every aspect of life, from personal, private prayer to corporate celebration. Students will discover the joys and benefits of a dynamic prayer life and gain a fresh appreciation for the many ways in which the Holy Spirit makes prayer and worship both meaningful and powerful. An examination of some of the common challenges of prayer, such as learning to hear God's voice, the problem of unanswered prayer, and what to do when it seems God is not speaking, is followed by practical insight for becoming more effective and fervent prayer warriors.

Instructor: Rev. Dolores Pennino

THE 245 Eschatology: A Study of Things to Come

A biblical study of end-time events written from a Pentecostal perspective. The course studies the Rapture plus various views of the Tribulation and the Millennium. It provides excellent material for teaching and preaching on the second coming of Christ.
